Secretary's Report

By Phyllis Hollywood

February meeting minutes;

Fred called the meeting to order.

Gloster breeding program had 3 pairs for sale for breeding program. All were spoken for and contract was signed.

David said that this year all participants of the breeding program will need to acquire (buy) their own show cages; the club will not supply them this year, yet, will post where to get them.

Cage maker:

Jerry Cason
2016 Oak Crest Ct.
Azle, TX 76020

Jerry's telephone is:
817-237-5867

Jerry's email is:
jerry.cason@yahoo.com

Here is the list of the show cages that he makes:

Hartz
Gloster
Fife
Stafford

Columbus Fancy
Lizard
Color Bred
Norwich.

The Border and Yorksire I do not make.

The price is \$50 and they are painted; shipping costs are extra. He also sells the fronts if you want to make them; I recommend you just buy the cages from him... one never has the time to make them.

Please contact him soon, because show season approaches reaaaaaaaaally fast!

Jerry Cason

Salvador has quinoa for sale @ \$66.00 for large bags.

Gerardo Lemus has lights for sale, has 6 left.

Los Angeles meeting is on 7th of month.

Fifes from the breeding program owned by Johan had five chick hatches; 5 chicks!!! Great job!

I am gone for March and May meeting; Carol volunteered to take my place at these meetings. Thank you.

Have a good meeting!

Phyllis.
