San Diego County Canary Club

President's Message

Dear San Diego County Canary Club members and friends,

Our Show will take place at our meeting location next Saturday!!!
Good Samaritan Episcopal Church
4321 Eastgate Mall
San Diego, CA 92121-2102

Enclosed is the Show catalog with all the information and the rules of the show.

We are looking forward to our Canary Show next Saturday and it may just be possible to set up Friday afternoon, more information on that to follow.

I am certainly looking forward to have fun next Saturday; we have a few Los Angeles canary breeders coming to show their birds.

We will see birds like Lizards, Yorkshire and Parisian Frill canaries; also Hoso, Borders, Red Factor, five Fancy, Columbus Fancy and more.

We will also listen to our members Roller canaries at lunch time; looking forward to that!. Gerardo Lemus will be in charge of our dinner; looks like we will have at least 30 people attending to a wonderful feast!!!

Carol is still gathering donations for our huge raffle table! Carol says to remember that besides seed and bird things, many of the ladies in the club love home decorations, fancy dishes, books, ribbon, wine, tea, fabric, lace, baskets and bowls.

Nancy is gathering the Halloween arrangements and hopefully be able to video our show for posterity!. Paula and Phyllis will be working on breakfast and lunch; and many more duties they have volunteered for.

But at Show time; all will be attending the judging and learning many things about our lovely pass time!!!

Thank you everyone and we will see you all at the show!

David J. Benites
SDCCC President
